TRY IT ONCE YOU'LL FALL IN LOVE FOREVER

Discover **La Verace Super Salsato**, our premium selection of whole peeled tomatoes designed for chefs and food enthusiasts who demand the highest quality and flavor in every recipe.

SUPERIOR QUALITY SELECTION

Only the finest tomatoes, hand-picked at peak ripeness, are chosen for Super Salsato. They are processed quickly after harvest to lock in their natural freshness, vibrant color, and authentic taste.

"SALSATO" RICHNESS

Unlike standard peeled tomatoes, Super Salsato boasts a higher concentration of juice over pulp. This balance creates a richer texture and a deeper, more intense flavor, perfect for enhancing sauces, stews, and long-simmering preparations.

"SUPER" CONSISTENCY

The "Super" in Super Salsato underlines the dense, meaty consistency of the pulp, ensuring it holds its structure during cooking while releasing a velvety, flavorful sauce. It's a superior ingredient designed to elevate your dishes with authentic Italian taste.
